

# ALL THINGS TRIVIA

## **TRIVIA NIGHT TIPS:**

**A Trivia Night lasts anywhere from three to four hours. The timing however is dependent on each club's / organisation's requirements.**

**Players form teams that compete amongst each other, usually for prizes of some sort. A standard Legends Trivia function consists of seven rounds of 10 questions and other novelty events. At the end of the night, the team with the highest score wins.**

## **QUESTIONS:**

**The questions are very important as they determine the mood of the night. In most circumstances we recommend you go with the Standard Package because this contains mostly General Knowledge questions, which have the broadest appeal; for example, ladies get a bit upset with too many Sports questions.**

## **PREPARATION:**

**Preparation before the Trivia Night is very important to ensure its success. Not only is organising the Host and Questions important, you will also need to book a suitable venue, arrange prizes and advertise.**
